Dear Friend

26

I was shipping
a few cases of M^dze yesterday to
Messrs Richardson Seane & Co of your
city & took the liberty of packing
in one of them a can of plaches which
I beg you will accept with my best
regards for your lovely & interesting family.

This is the first opportunity I have
had since the very delightful visit
I paid under your hospitable roof
of fulfilling the promise made at
your table; indeed I can never forget
the pleasure I had at breaking bread
at your board & at your side.

Trusting you & yours are in the
enjoyment of health & in the fullness of
my heart wishing you success in your
glorious cause I remain hastily
I have much to M^dre faithfully
tell you but am full of business
